TUESDAYS AND FRIDAYS.

Ask for Votes When Paying for Subscriptions---It Costs You No More!

WIN FAME AND FORTUNE

If you are not in the race--enter today. For the big opportunity offer is now in force and you can easily catch up with the procession. Popular young ladies from a large part of Kentucky have now entered this great race. There are still a few towns and rural routes not represented. Send in your nomination today.

START CAMPAIGN TODAY

Ask the Contest Manager to Send You a Receipt Book and the Printed Matter so That You May Get Started at Once. If There is Anything You do Not Understand, Do Not Be Afraid to Ask Questions.

With plenty of time still remaining for candidates to enter the race and with the great Opportunity Offer in force, giving the new contestants a chance to catch up with the procession, enthusiasm in the contest is becoming intense. Each day many contestants who see they have a chance to win are starting their campaign and all are having good success in securing votes and subscriptions. The young ladies who take advantage of their opportunity right now and gather in all the available subscriptions possible will stand a mighty good chance of winning the prize they desire.

The Opportunity Offer

The big offer was made for the purpose of giving the contestants a good start in the great race for glory and prizes. Under these arrangements which close NEXT SATURDAY NIGHT, 3,000 extra votes in addition to the double votes are given on all subscriptions. This offer will positively close at 9 o'clock next Saturday night so every contestant should turn in as many subscriptions as possible before that time. Contestants living at a distance may mail in their subscriptions and if the envelope is postmarked not later than 9 P. M., Saturday they will be counted under this offer. From now until May 25, night the vote schedule will be as follows:

25 years	120,000 votes
20 years	102,000 votes
15 years	75,000 votes
10 years	49,200 votes
5 years	39,000 votes
8 years	24,000 votes
3 years	13,800 votes
2 years	9,000 votes
1 year	4,200 votes

After May 25th

The vote schedule will be reduced and between May 25th and May 31st only double the usual number of votes will be given. After May 31st the votes will be again reduced to the regular vote schedule which was in force at the beginning of the contest. A five year subscription turned in before May 25th brings 24,000 votes. If turned in between May 25th and May 31st it brings only 9,000 votes. After May 31st the regular schedule only gives 4,500 on a five years' subscription. So if you wish to have your subscriptions to count under the big offer which closes next Saturday, be sure to have them in before the closing hour.

Coupons Clipped from Paper

A number of people have asked about the coupons in the paper. These coupons must be brought or sent to the office before the dates therein have expired. The votes issued on subscriptions are good at any time up to the close of the contest, wherever subscriptions are brought or sent in, vote ballots are issued and given or mailed to the contestant.

Read Carefully.

This ruling or limit is made to protect the contestants who do not yet understand about the votes issued on subscriptions. Should they

ATTENTION

Until further notice no contestant will be allowed to poll more than a sufficient number of votes to place their score five thousand votes ahead of the leader in the preceding issue. For instance, if A has 5,000 votes today and the leader of the list had 7,000 votes, A will be allowed to cast enough votes to make her score 12,000 in the next list.

be allowed to poll all their votes as soon as they turned in the subscriptions, their competitors would know just how many votes they had and could easily come in at the last moment and buy a few subscriptions and win out. By building up a reserve vote it is impossible for any one to know how many votes a contestant has unless they tell the number themselves. This ruling makes the contest absolutely fair to all. No person can come in at the end and buy out the contest. We want you to understand right now that everyone will be given a fair and square deal, and the contest will be run on its merits alone.

The contest manager would like to have a talk with every contestant and also those who are thinking of entering. If you can, stop at the office. If not, call him by telephone and he will offer suggestions that will help in your campaign. He can be reached by telephone or by a personal call any evening or on Saturday at other times. He will be glad to meet you if you will telephone and let him know when you are coming so he will be at the office.

COL. S. T. HARRIS

Formally Commissioned As Aide-Camp on Governor's Staff.

It is now Col. Samuel T. Harris. Col. Harris last week received a commission from Gov. McCreary appointing him aide-de-camp on his staff with the rank of colonel. Those who know the genial colonel--and there are few in this section of the state who do not--are satisfied that the Governor could have found no one who would add greater dignity and honor to his personal staff.

Col. Harris is one of Lincoln county's largest and most progressive farmers and distinguished citizens and possessing all of the attributes and qualifications of the far-famed Kentucky Colonel, has long been addressed by that title by many of his friends. It was fitting and very appropriate that he should be formally vested with the rank, and both he and Gov. McCreary are to be congratulated upon the issue of the commission. Col. Harris' family came to Lincoln from Madison in the early days and he and his father before him, have been life long friends and supporters of the Governor in all of his political ambitions. Col. Harris' friends are insisting that he secure the usual Colonel's handsome uniform at once, so as to be prepared to attend a meeting of the staff at any time it may be called out upon full dress occasion.

Ramsey-Halloway

Wedding invitations issued. The following invitations have been received: Dr. and Mrs. Bardette Ramsey invite you to be present at the marriage of their daughter, Mayme to Mr. James Miller Halloway, on the afternoon of Wednesday, the twenty-ninth of May, nineteen hundred and twelve at three o'clock, Stanford, Kentucky.

CALL

Kentucky Prohibition Party Convention.

The state convention of the prohibition party is hereby called to meet in Louisville May 28th at 10 A. M. in Fourth Avenue Christian church, to nominate delegates to the National Prohibition Convention, Atlantic City, New Jersey, July 19th, 1912, to name congressional candidates, and to nominate presidential electors. Every prohibition party voter in the state is urged to attend, or if not in attendance, then to send in the name of his choice of a candidate for Congress from his Congressional district, also to send in the name of his choice for electors from his district. All members of the Woman's Christian Temperance Union are eligible as members of this Convention, and are urged to attend. They are eligible to seats in the Convention, and to vote; they are also eligible as candidates, either as delegates to the National Convention or for Congress.

The prohibition party, state and national, has always recognized women as eligible to all positions, and is the only political party that stands actively for "Equal Rights." We also invite to sit with us all persons interested in the establishment of righteousness, State and National, through the overthrow of the legalized liquor traffic.

Executive Committee--Frances E. Beuchamp, State Chairman, A. W. Carpenter, Vice Chairman, C. A. Singer, Sec.-Treasurer. 41-11.

The Texas, the largest battlement in the world and the first to carry fourteen-inch guns, was launched successfully at Newport News, Va. Saturday.

Floyd Allen, first of the Hillsville, Va., murderers to be convicted, declared he would not die in the electric chair.

Rads Split in Pulaski

The Republican party in Pulaski county has now two sets of officers. The Taft wing met last week and elected W. H. Lyons, county chairman; B. L. Waddle secretary and Walter Elrod, treasurer. The Roosevelt followers, who met the same day but who adjourned on account of the secretary not having sent out the notices five days in advance of the meeting as prescribed by law, met Saturday and elected the following officers: C. L. Ross, county chairman; J. R. Cook, secretary, and John Dikeman, treasurer. Both sides claim that theirs are the legal elected officers. The Republican State Central Committee will settle the contest.

ST. MARYS DEFEATS LOCAL BOYS IN HARD GAME

Tough Luck and Great Pitching by Kowalski, Too Much for High School Lads.

The Stanford High School team lost its second game to St. Mary's College this season at the grounds here last Saturday afternoon. The score was 4 to 3, and the closeness of the contest throughout the whole nine innings.

Stanford, at times, played brilliant ball and several times appeared to have the game won. Several hard breaks in the luck and the tight pitching of Joe Kowalski, for the visitors, tell the tale. Wesley Embury suffered throughout the game with a sprained ankle, which handicapped him greatly, and really caused the loss of the game, for he was unable to run out his hits when made. In the sixth with two zone he had singled clear to right and Harris Coleman had romped home with a score which put Stanford in the lead. Young Embury was hobbling, as best he could, to first on his injured ankle, and a quick retrieve of the ball by Yargin, got him at the bag and killed off the score.

For six innings Embury pitched gilt edge ball, and held the hard hitting visitors to one scratch single. The strain on his injured leg began to tell in the sixth round, however, and the collegians found him for two more, which, aided by a wild throw of Kemper to catch a runner at third instead of shooting the ball home, gave the visitors two tallies, their first of the game.

Both sides had battled fiercely before this without any chance to score, and those two runs looked as big as a dozen. The Stanford lads were game, however, and went after "Chink" with blood in their eyes. The crack young twirler seemed to give down slightly and Dozier, who had fanned twice before, found him for a clean single to right, with Waters, who had been passed by Kowalski perching on second. McCarty forced Waters at the plate. With two men on, Coleman lifted a high one in short right, which both Yargin and Barth allowed to drop safe without touching and the two runs came over the pan.

Capt. McCarty sent Mike Penny to the mound for Stanford, when it seemed that the visitors had acquired Embury's number. Penny had had no opportunity to warm up, and before he could settle down, the visitors pushed two more scores over and won the game. A miff of a fly by S. Hill in left helped them considerably on their way. Stanford got one more in the seventh on a pass to S. Hill and Barth's fumble of Anderson's roller, but could not quite reach. This Kowalski had is some twirler. He has won a great many games for St. Mary's and would undoubtedly be a find for some Blue Grass League team. Besides having a world of speed and a nice breaking curve, he plays ball with his head and is always there with the good old pep. The score.

Fans who saw the game were all greatly pleased with it. Another great game is promised Saturday when the nine from the Eastern State Normal at Richmond comes for a game with Stanford. The Normals beat Stanford in a very

close game there early in the season and the local boys say they will certainly get revenge this time.

Another great game is scheduled for June 5th when the Nebraska Indians come for a ball game here.

HIGH SCHOOL GRADUATES BUSY THIS WEEK

Delightful Programs Are Being Given For Commencement Week Exercises

Commencement week began auspiciously with an immense crowd at the baccalaureate sermon delivered to the graduates of the High School Sunday evening by Rev. W. E. Arnold, Presiding Elder of this district. The stage had been tastefully decorated for the occasion and was graced by the presence of the graduates, members of the Board of Education, and the ministers of Stanford. Many were unable to get seats in the opera house. Although very hoarse, Dr. Arnold preached a powerful sermon, with a special message for those just going out into life.

On Monday night, the beautiful cantata "An American Girl" was presented by the pupils of Miss Ellen Ballou, the very efficient musical teacher. A large crowd enjoyed a delightful evening.

The graduates held away Tuesday morning with class day, and before a large assemblage, pleased everyone in their several roles. The program was: Salutatory--John Eva Hilton, Quartette--"Sweet and Low"--Misses Holtzelaw, Campbell, Messrs Bright and Waters. Class Poem--"The Journey Onward"--Willie A. Moore. History--Maud A. Stone. Piano--"Eolienne Harp"--Mary M. Matheny. Prophecy--Will McCarty, Jr. Grumbler--W. Morrison Bright. Piano--"The Dying Swan"--Lissa Holtzelaw. Gifforian--John M. Waters. Piano Duet--"The Flatterer"--Misses Matheny and Holtzelaw. Valedictory--Harris W. Coleman. Chorus--Selected--Class.
